

GROWTH PROGRAM - Registration Form

Only 1 registration form per student/family is required to participate. If you wish to participate next month, another form is *not* required unless your information has changed.

Audition Video Guidelines: Ages 18 and under.

- All performing art forms are accepted.
- Group submissions are welcome! (Students, however, may not appear in more than 2 pieces each month).
- Students should demonstrate good showmanship.
 - At the beginning of the video, the student must state their name (first and last) and age.
 - Before each piece, the student must state the title of the piece and the composer or where the piece can be found.
- The student may include up to 2 pieces for evaluation.
 - Each piece must be 4 minutes or under in length (excluding the spoken introduction at the beginning of the video).
 - Each piece must be appropriate for a child audience and cannot contain any inappropriate language or behavior. Pieces may be adjusted, within reason, to make it appropriate for child audience members. (Eg: Changing a swear word to an appropriate byword.)
 - Each piece must be performed as would be presented at a recital. (Please be professional and dress nicely. Costumes are allowed if fitting and/or necessary for the performance.)
